CatRIS Provider Dashboard Tutorial

V3.00 – 04.12.2020

Dr. Giorgos Giannopoulos, Dr. George Papastefanatos, Konstantinos Spyrou, Stefania Martziou, Antonis Lempesis, **NKUA**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement n°824173.

Introduction

- © The CatRIS Portal offers to Authorized Representatives of Providers (ARP) dashboards for monitoring the Service Providers (SP) and the respective services they represent
- © The ARP is able to access the page of all SPs they represent in <https://www.portal.catris.eu/provider/my>
- © Alternatively, they can navigate through the CatRIS Portal menu by selecting “My Service Providers”

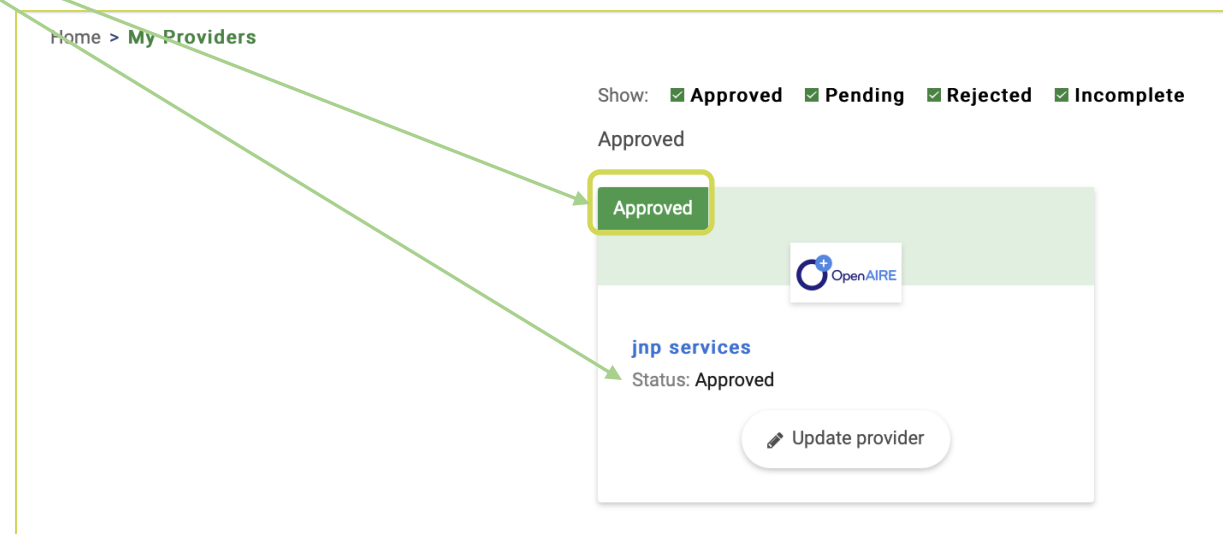

The screenshot displays the CatRIS Portal interface. At the top, the CatRIS logo and navigation links (CATALOGUE, SUPPORT, GIORGOS GIANNOPOULOS) are visible. A green search bar with the text "--Search field--" is present. Below the search bar, a green sidebar contains a "Search" button and a "Category" section with checkboxes for various service types. The main content area shows search results for "Astronomical photometry and imaging", listing three items with details like "The three marine stations of EMBRC - France offer technical services for scientific diving." and "Measurements (photometric, imaging) of different celestial objects. dsfdszxfvds". A green arrow points from the text "My Service Providers" in the list to the "My Service Providers" option in the user menu, which is open on the right side of the screen. The user menu also includes options like "Add New Service Provider", "My Favourites", "My Service Providers", "View Service Providers", and "Log out".
